

I'm Pocketing My Values

by Melanie Day

I'm pocketing my values
'cause you never really know,
when they may be needed,
to inspire and help one grow.

I'm pocketing my values,
I'll keep them close to me.
They are but small reminders,
of all I hope to be.

Faith

Divine Nature

Individual Worth

Knowledge

**Choice &
Accountability**

Good Works

Integrity

I'm pocketing my values
